

Lesson 5 – Creation

Key Verse: Colossians 1:16

“For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him.”

Overview

The Word of God is under attack by modern society and its belief in naturalism and the doctrine of evolution. Modern scientists think they have the answer to how the universe came into existence. However, God tells us the truth in His Word about how and why the universe came into existence. Creationism is a foundational doctrine in Christianity that we must get right. In this lesson we will see what God’s Word says about His creation.

“As Christians, we believe the Bible is truth revealed to us by God, who is the true Creator of the universe. That belief is the basic foundation of all genuine Christianity. It is utterly incompatible with the speculative presuppositions of the naturalists.”

—John MacArthur, *The Battle for the Beginning*, pg. xxvii
